TUESDAY AFTERNOON CRAFT

Things are moving along nicely for the craft stall at Dayboro Day Festival. Lots of talking, lots of doing and lots of, well, you will have to come along and find out! Everyone welcome, even if you don't do a craft. We will find you something to do..

Good Friday Worship

Paul is taking the Good Friday service here at 8.30am on 30th March.

A little more about the theme – and today looking at the last words of **Steve Jobs** – the co-founder of the hugely successful *Apple* Computer Company:

*I have come to the pinnacle of success in business. In the eyes of others, my life has been the symbol of success. However, apart from work, I have little joy. Finally, my wealth is simply a fact to which I am accustomed. At this time, lying on the hospital bed and remembering all my life, I realize that all the accolades and riches of which I was so proud, have become insignificant with my imminent death.....I can only take with me the memories that were strengthened by **love**...*

Jesus personified **love** and demonstrated this in going to crucifixion so he could make it clear that life is to be lived abundantly and all that follow him will remember his example of sacrificial love and look to him for an example how to live a life with integrity, honesty and **love** for each other.

This is a service for all the family and everyone is welcome.

Invite your family and friends to join you and make this Easter truly holy.

mainly music is going very well with its new leader, Nichole. We are now one family short of reaching our limit and will soon have to start a waiting list. The wonderful team would welcome anyone interested in joining them each Tuesday morning for a fun time with little kids and their parents.

DAYBORO DAY FESTIVAL MEETING TODAY DURING MORNING TEA

Please continue to contact Dan and Carolyn if you would like them to check on any of our Church family that you may be concerned about.

**Jesus is my rock
 And my name
 Is on the roll.**
