Pastor's Ponderings

Now that the school holidays are a quickly fading memory our Children's Ministry, (called Sunday Space) will have restarted. Sunday Space runs concurrently with our 9 am Worship Service.

Sunday Space is a child safe environment run by 2 or more leaders trained to ensure the safety of our young people. These volunteers all have current Blue Cards which is the bare minimum of safety that should always be provided. Our volunteers have also completed the 'Safe Ministry with Children' program. This is a mandatory requirement by The Uniting Church that is refreshed every 2 years. We provide a child friendly and child safe environment where children and young people are seen, listened to, valued, and protected. Our safe environment reduces opportunities for physical, social, emotional, sexual, and spiritual abuse. Spiritual abuse is defined as when a person misuses their influence to control, coerce, or manipulate a child for seemingly religious purposes. The training that our Children's Workers receive is vital in helping them identify any issues and how to deal with them for the protection of the children.

We follow a program called "A Joyful Path" which seeks to connect children with their own inner wisdom. It teaches interdependence, self-awareness, respect for nature, stillness, forgiveness, prayer, meditation, and integrity. Using the Bible and other wisdom stories, "A Joyful Path" helps children learn how to follow the path of Jesus in today's modern world. If you are interested in more details or would like to volunteer your services, please contact Carolyn - 0409649234.

Blessings,
Danny

Discussion about the forthcoming referendum
"The Voice to Parliament"
led by Everald Crompton and facilitated by Paul Inglis

Everald will outline the constitutional history of failure to recognise indigenous people as well as key issues regarding the case for YES and NO, while not hiding the fact that he will personally vote YES.

The Voice will not have a program delivery function, or a veto power. The structure and role of the Voice would be decided by Parliament through legislation, with members to be chosen by First Nations people.

The referendum is part of the Government's commitment to implementing the Uluru Statement from the Heart in full.

Friday 24th February:

From 6.00pm

You are invited to a contemplative prayer service in the tradition of Taizé as we begin the season of Lent.

Christians throughout the world have embraced this quiet, simple, and yet profound, way of prayer.

Taizé is an ecumenical meditative type of prayer service.

The singing of repetitive simple chants and times of silence are used to enrich and deepen the prayer experience for the community and the individual. All are welcome to join us for this candle lit prayer service where we will take time in God's presence to begin the season of Lent, taking time to break away from the hurried sense of our lives and breathe in the presence of Christ and community.

We will gather 6-6:30pm - please bring a small plate of finger food to share with others. The service will be at 7pm and will be followed by a time of community chat and cuppa.
