

WORKING BEE—SATURDAY 25th September

Thank you to all those who were able to help at the working bee. The hedges now look lovely again, the front garden has been tidied up and is looking neat and tidy, the long cushions on the church pews have been scrubbed clean and most stains removed. We should do this every three months, so next one could be in the middle of January 2022.

REMOVAL OF TREE

For those of you who aren't aware yet, the Bribie Island Pine in the front yard needs to come down. We have had an Arborist report that confirms that it is at risk of falling during a storm or strong wind. Moreton Bay Regional Council have been informed and we are ready to go ahead. You may also be aware that the roots of the tree have become a tripping hazard so, the roots will be ground down as well.

EXPLORERS

A big thank you to Paul for all the work he put into preparing the presentation for our September Explorers. We were definitely 'blessed' as we recognised our blessings in a time when we are cut off from loved ones overseas and in lockdown states, and when our governments cannot agree on how to address the damage being done to our planet, and when people in this country are not treated equally.

It is easy to become disheartened and even depressed by all the negativity, but we worship a God who never relinquished control to the forces of darkness. Rather, the heavenly Father cherishes the earth and each human being upon it. The fondness, the endearment, the unstintingly affectionate regard of God toward all his creatures is the natural outflow of what he is to the core – which we vainly try to capture with our tired but indispensable old word "love". We are blessed indeed! We also were doubly blessed to fellowship together over lunch. Thank you again, Paul.

Our next Explorers will be Sunday 24th October. Please let Joy know if you will be attending lunch at Rendezvous afterwards by **Wednesday 20th so we can book our table.**

Saturday 27th November is our final Garage Sale for 2021. We will need everyone on deck. We will have all things Christmas and much more. Could our cooks please check fridge for ingredients to help with cooking. Please see Maria for eggs and butter as well.

When Mark has been notified about the slab pour for the shed, we will need a few men to help with taking the contents of the shed over to Michael's (ME Reality) shed. He has kindly said that we can relocate contents there until our shed is up and running. Mark will contact people when he knows the date. Is there anyone who would like the old shed? You would have to be prepared to take down and remove the old shed yourself.
