

The value of a picnic table and six chairs to the local Dayboro community

Uniting Church Dayboro

Bulletin

1st September—30th September 2020

How many times have you wondered where to go to sit and be still and just observe life from a quiet place? Where do you go to sit with new acquaintances over a coffee and a bite to eat to get to know each other for the first time and share a bit about our lives? Where do you take your granddaughter for her baby chinos and watch her enjoy the experience and see what down town Dayboro is like? Where do you discuss life with friends who have been coming to grips with the current pandemic, the disruption to study, work and feeling overwhelmed by these current un-Australian but wholly necessary restrictions to our “once” normal lives?

Well the answer is very simple come any day of the week to the front entrance of the Dayboro Uniting church and sit down at the newly installed large wooden picnic table and beautifully worn 6 comfortable chairs. It has been the vision of the Dayboro Uniting church council to provide this redeployed infrastructure for the Dayboro community to use, enjoy, meet at, buy local coffee and food and bring it there to watch the beautiful Dayboro life go by.

On a Sunday after our 9am church service, it is now becoming a bit of a tradition (barring icy westerly winds) for attendees after church to come out front and have morning tea. These comfortable surroundings allow our attendees to talk and find out how we are coping with the new form of normal Australia is experiencing. Sometimes there are only a couple of us there but most Sundays it swells to more. It is amazing how relaxed people become over a simple cup of coffee or snack and have an opportunity to debrief and seek support from others. Feel free if you walking by to say hello and drop in and we will find you a chair and a coffee.

As mentioned previously the table is not just there for church, it is being provided 7 days a week for all people to use, enjoy and contemplate life and the simple things that make us so important to each other.

The Uniting Church lays upon its members the serious duty of reading the Scriptures, [and] commits its ministers to preach from these...'

CHILD SAFETY TRAINING DAY

Proposed date: Saturday 12th September.

Proposed time: 9.30am

This training is compulsory for anyone who will be working with children in the Uniting Church and must be repeated every two years. Most of those who work with children will need to do the training this year.

Everyone is required to do Module 1. Some people will be required to do more modules – depending on the positions they hold in the church (eg. church councillors and lay preachers.)

It is now possible to do this training on-line if you prefer.

NOTES:

This date may change if the COVID-19 restrictions change.

We are currently limited to 35 persons in the hall. If it is necessary to reduce numbers, preference will be given to:

Church council members (5)

Lay Preachers (2)

Sunday Space leaders and helpers.

If you would like further information, please see Jenny Brown.

Thank you so much to all who participated in our first GARAGE SALE. What a great day we had. Jenny has advised us that we raised over \$1550 which was a magnificent effort. It was lovely seeing so many people involved and to interact with the Dayboro Community and so many visitors on the day. Let's hope we will be able to have another one in **OCTOBER**. I'll keep you posted. Any donations of cooking ingredients would be gratefully received.
