Reconciling God, draw us into your embrace, so that we are strengthened to witness in faith and live out our hope in Jesus. Amen

Thank  
you!

Thank-you, Thank-you, Thank-you – Dayboro Day is over for another year and I would like to send out a big round of applause to all who: cooked, collected, baked, knitted, created and sold anything for the day. A special thanks must go to the convenors: Jill, Liz, Ian and Leisa and all those who made a practically all day if not all weekend commitment to helping. You are all to be congratulated. Thank you Karen

Liz would like to thank all who helped in the success of the Street Stall on Dayboro Day. Many people cooked, sewed, knitted and helped on the big day. All of your efforts were very much appreciated. The stall was again a major financial success for our church and this reflects the excellence of the goods prepared by many people in the church. **A BIG THANK YOU TO YOU ALL**

**Watoto** children's ministry sends a choir to Australia every year to raise its profile and much needed funds for the three orphanages, two babies homes and multiple projects it runs in Uganda. While it was disappointing for us to not have the choir perform last week, this also meant that no children were sponsored or merchandise sold or donations made. If you were considering doing one of these options please contact Karen – 0407617772 as she would love to make the arrangements for you. Sponsorship is a \$48.00 per month commitment but any donation would be gratefully accepted and used to clothe, feed and school the children in the orphanages. .

#### TIPS

Screensavers don't use less energy. "Sleep mode" reduces a computer's energy consumption by 60 to 70%. At the end of the day, power it off completely.
