

Dayboro Combined Churches Christmas Hamper Project

With many enthusiastic helpers from all of our churches, this year's distribution of Christmas Hampers was bound to be a success. Everything went off like clockwork. Packing was completed by 11am and distribution by volunteers was

underway and continued throughout the afternoon. We have received some beautiful 'thank you' comments from some people who were wondering how they were going to give toys to their kids this year and several people who had lost a partner were surprised that their community cared so much. As one driver who delivered to several aged and frail people said, for these people it was more about the visit and the thought than the hamper. We were able to take very big hampers of Christmas food and fruit and toys to 52 homes accounting for 107 people. Thanks to the many people from our churches and the community who gave money or goods and the wonderful support of the Progress Association, Lions, Ray White Rural, Scott Heathwood from Dayboro Butchery and Patsy Cains at George Hartnett Funerals. We received many messages of appreciation.

Jeanette Easlea especially asked us to make sure everyone knows how thrilled she was to get a parcel from us. Jeanette now lives in a unit at North Lakes. She was awarded the title *Elder Emeritus* for her long service to the churches and community of Dayboro. *Paul*
