Giving to the Christmas Hamper Project 2014

As we respond to the call of Jesus to love our neighbours, it is time to start our annual community outreach - **Operation Christmas Hampers 2014**.

The logistics of this exercise are now well known.

The invitation to give hamper gifts or money goes out to the whole community. In the past this has brought a wonderful response from individuals, businesses and service groups. In the early stages of the campaign, people are asked to look out for appropriate goods when doing their shopping and hold these until we can arrange storage. Fresh food is not purchased until the day before distribution in the week before Christmas. We have some good sources for identifying people who 'fit the bill' for a hamper - aged, ill, grieving, victim of circumstances, large struggling families, unemployed - but we appreciate advice about others which we can consider. Many volunteers from the churches gather at the Uniting Church to pack and deliver these items. Even with 18 helpers last year this took all of one day. Please support this project. In the past, we have found that we are short of practical gifts for teenagers. We have also received more toys than we can distribute locally. Food is always appreciated.

Cheques should be made out to "Dayboro Combined Churches"
