Dayboro Day

So many people worked so hard for so long on the day, and for weeks beforehand. Too many to thank here. The whole church should be humbly grateful for their labours, hard labours, of love. And on the topic of humble gratitude, we are grateful to God for the financial outcome of the Day. It's too early for a final figure until we know what expenses folk have incurred, but our receipts before expenses are \$5,590; an amazing result.
