## Christmas Hampers for Dayboro Community

The team responsible for our very successful Christmas Hampers for people identified as needing a lift in spirits at Christmas time has decided to continue with this program in 2016. We have promises of support from Lions, the Dayboro School, Dayboro Medical Centre, Combined Churches Committee, George Hartnett Funerals and our own church council at DUCA. All we need now is to have everyone get behind this program and make it a resounding success again this year. It is a big project for a small community and the generosity of people in the churches and the wider community has meant that we have managed to deliver wonderful hampers to scores of homes over the last ten years and demonstrated our love and concern. **Please let Paul Inglis know if you can work on the team doing the packing and delivery a week before Christmas, or if you can make a donation of money or items for the hampers. Thank you in anticipation.** [Lectionary readings for 13th November 2016:](#)
