

# Welcome to Worship

17th January 2016

## Praise to God for a Living Hope

3. Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, 4 and into an inheritance that can never perish, spoil or fade—kept in heaven for you, 5 who through faith are shielded by God's power until the coming of the salvation that is ready to be revealed in the last time. 6 In this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials.

Rosie Clarke will be heading off to Casa Segura for three months within the coming week. We wish Rosie well in this wonderful venture. God Bless you Rosie, the congregation will keep you in our prayers.

Well, Christmas is over, and that means, the lights have to come down. Could someone with a ladder and a head for heights please assist with this task. The lights in the hedge also need to be removed.

### Lent Event...40 days to live more simply, reflect more deeply

Join UnitingWorld, as together we worship through Lent and work with our overseas church partners for a world free of poverty and injustice. Be truly inspired by them in the [video clip](#) and if you've yet to get your *Guide to Living Lent* download it from [www.lentevent.com](http://www.lentevent.com) today. It's full of ideas to meaningfully engage on the Lenten journey and shows you how to access free resources such as the **Lent Event App** for daily prayers, our **Bible Study** and **Stories** about people and communities that Lent Event supports.

Please speak with Kay if you would like more information.

DO NOT use any form of sticky tape or blu tac on the walls of the hall, kitchen or Church. It is really hard to remove and you can never entirely get rid of it. Also NO THUMB TACKS They are very dangerous for the feet!
