Christmas Hamper Project – Sharing the Joy of Christmas

Keep those Hamper Gifts coming folks. Can we improve on 2013? Last year 23 volunteers packed and delivered hampers to 100 local people in 50 families (40 in 2012). The referrals last year included the aged, ill, victims of unfortunate circumstances, the terminally ill, family disruption and those facing challenging economic circumstances. Deliveries brought surprise, joy and tears. The greatest benefit from the whole exercise was

the feeling of doing something worthwhile for someone else in our community. The doing of 'the love for our neighbours' is at the core of our faith. You can leave non-perishable food and gift items at the Uniting Church or at Ray White Rural. Donations of money can be passed on to Paul, Ann or Kay or banked at the ECU in the Combined Churches account as

'Hamper Donation'. If you would like to help on the packing day (17th December), please let Paul know ph 3425 3220. **Your gift, however small will be appreciated.**

NOVEMBER CHURCH COUNCIL MEETING REPORT TO CONGREGATION (part 1)

1. Kitchen refurbishment:

- final details have now been attended to
- the dishwasher is now functioning
- thanks to Heather for an epic job well done.

2. New Church Audio Visual System:

- to be installed for Christmas

3. Planning for Future Large Infrastructure Expenses:

- a sub-committee has completed this survey and a prioritised list has been created
- urgent jobs to be attended to are: the new AV system and new chairs for the hall.
- next in importance is the painting of the kitchen and hall and outside of the buildings.
- other items will be dealt with as funds become available.

4. Building Maintenance:

- Glyn (and Margaret) have attended to the following: mini ramps for all major doors, repairs to sensor light and switch in toilet, front lighting fixed, repairs to the back landing, repairs to the gate at the top of the ramp. The fly screen at the front of the church is to be in place in the coming week.
- Glyn has identified an ant problem in the kitchen. Could all members of the congregation who use the hall ensure that sugar etc is kept in ant proof containers e.g. a glass bottle. It appears that the ants are also into the urn by the gazillions. Please empty this out after it has been used.
- Thanks to Glyn and Margaret for their excellent work here.

5. Pigeon Holes:

- these are now located **in the cupboard** on the left as you leave the church to go into the kitchen. Please use this useful means of communication if you wish to contact any leader in the church.

(to be continued next week)
