Please hold onto items for our Dayboro Day Trash and Treasure stall until Saturday 30<sup>th</sup> May. If you want Paul to pick up items just give him a call (3425 3220). The guidelines for items was printed in last week's newsletter which can be found on our website.

### **The Casserole Bank needs you**

We have another new client for our meal support program. This time it is a family with three children including one micro-premature baby in RBH. The baby will be under close care at the RBH until at least July. This means lots of travel time for the mother and as a single income family on a very basic wage they need our help. This referral came from the Dayboro School. We need more casseroles. If you need advice about what to do, please ask Paul.

### **Pew sheet, or if you prefer, Newsletter**

Do you dream of editing a major publication? Of deadlines and expense accounts and dramatic scoops? Me too. But while we wait for the call from the Chairperson of Vogue Magazine, how about preparing yourself for that new career by editing and producing our pew sheet? Talk to Richard.

## OFFERING TRENDS 31 MARCH 2015

The offering from the fifth Sunday in March was not banked in that month. This will increase the April offering balance.

The average 2015 monthly offering continues to be well above the 2014 average offering. This is a fantastic achievement!

The General Funds are currently covering expenditure, and will also get a boost from Dayboro Day profits in May. Thank you to all the congregation for your ongoing support.
